

FY2023 Data Ordering Schedule

EORA3 PI

<FY2023 Data Ordering Schedule>

From Jan. 16 to Mar. 4, 2024, “Group Ordering” will start according to the group and order period based on PI’s numbers on the following page 3.

Basically, we cannot accept orders outside of your orderable period.

* The remaining quota of FY2023 after Group Ordering will be carried over to FY2024.

When ordering, please continue to observe the order rules on next page.

2. Order Rules

Information for PI, Joint researcher and CI

-----<PLEASE STRICTLY OBSERVE Order Rules>-----

If you don't, there are cases when we suspend your ordering.

***You don't have any obligation to use up your order quota.**

Please order just the data that you really need.

***The purpose of your use should be based on the RA contract.**

You can not order the data for other purposes.

1) The maximum number of scenes you can order per one-time/one-day

Please be sure to order

: within 10 scenes per time

: within 10 scenes x 2 times total per day

2) Before you click the "Order" button, please be sure to confirm the processing level and other parameter settings.

Please note that it is NOT possible to cancel the order after clicking the "Order" button.

3) The downloadable period is 10 days after the product is ready to be provided.

After the downloadable period, the product will be deleted automatically.

We are not available to extend the download period or recover the product.

- In particular, please pay attention to ScanSAR data because it may need a long time to be downloaded due to its large data volume.

<NOTE>

Downloading ALOS-2 is ONLY via SFTP.

- Depending on the organization to which the user belongs, access to the outside by SFTP may be prohibited by policy. In that case, please consult with the network administrator of YOUR organization.
- G-Portal uses 2051 instead of normal 22 for the TCP port used for SFTP in consideration of safety.

+++ATTENTION+++

- Please understand that there is a case in which we ask you to stop ordering depending on the situation.
- Please understand that we will not be able to recover
 - : your wrong order
 - : your expired download period.

If you have any questions, please contact us below.
