Announcement of deviation from orbital keeping range by satellite anomaly (Final)

Thanks for making use of AUIG2.

By the occurrence of satellite anomaly, ALOS-2 will deviate from the orbital keeping range “ $\pm 500\text{m}$ ” for the following period.

Please be careful if you order some products during this period.

From April 17, 2021 (Path : 192) to April 19, 2021 (Path : 142)
