

ALOS 6th RA PI

<FY2019 ALOS and ALOS-2 data Ordering Schedule>

<FY2019 Schedule of data ordering>

- 1) Please try to complete your ordering for FY2019 by Dec. 19, 2019.
- 2) From Jan. 28 we will start “Group Ordering” according to the group and order period based on PI’s numbers on following page 3.
- 3) Group Ordering from Jan. 28 to Mar. 16, 2020, the maximum number of scenes of the order quota for both ALOS and ALOS-2 should be 50 scenes.
- 4) Your order quota of FY2019 will not be carried over to FY2020.

<FY2020 Schedule of data ordering>

Regardless of your remaining quota at the end of FY2019, we will reset it to 50 scenes for FY2020. Reset will be carried out in April, 2020.

When ordering, please continue to observe the order rules on next page.

-----<PLEASE STRICTLY OBSERVE Order Rules>-----

If you don't, there are cases when we suspend your ordering.

*You don't have any obligation to use up your order quota.

Please order just the data which you really need.

*The purpose of your use should be based on RA contract.

You can not order the data for other purposes.

- 1) The maximum number of scenes you can order per one time/one day
Please be sure to order
: within 10 scenes(ScanSAR: 5 scenes)per one time
: within 10 scenes(ScanSAR: 5 scenes)x 2 times totally per one day

- 2) On your ordering procedure, when you specify order options,
Please do not delete a check mark at "Providing in Parts" to avoid
making your order "Batch Order" that is a single order with several
scenes placing a high load on AUIG2.

- 3) Before you click "Go to Order" button, please be sure to confirm
the processing level and other parameter setting.

- 4) The downloadable period is 10 days after the product is ready to
be provided.
If you receive the email from AUIG2 that "Product providing preparation
is completed", please start downloading as soon as possible.
After the downloadable period, the product will be deleted automatically.
We are not available to extend the download period or recover the product.

<NOTE>

Especially please pay attention to ScanSAR data which needs
a lot of time to be downloaded due to its large data volume.

<ATTENTION>

- Please understand that there is a case which we ask you to stop
ordering depending on situation.
- Please understand that we will not be able to recover
: your wrong order
: your expired download period
