

Delay in providing global LTOA 8-day, monthly reprocessing data

- Regarding the global LTOA 8-day, monthly product, we planned to release the reprocessed data from 2018 to 2021, but it is currently being reprocessed, so it has been delayed. As soon as the reprocessing is completed, an announcement will be made and the data will be replaced.
- Target products:
 - Global LTOA 8-day, monthly products
LV01-11, LS01-04, LT01-02, LI01-02, LGEI, LGEV, LGEP
LRAI, LRAP, LRAV, LSZI, LSZP, LSZV, LVZI, LVZP, LVZV
- **【Note】**
 - Currently published data is available.
 - Data from January 2022 onwards will be the latest.
 - The version number after replacement will be 2000, which is the same as the current version. We will make another announcement at the time of replacement.
